Dear Supervisors:

**AGREEMENT TO PURCHASE  
"TAX DEFAULTED SUBJECT TO POWER TO SELL" PROPERTY  
SUPERVISORIAL DISTRICT 5-AGREEMENT 2432  
(3 VOTES)**

**IT IS RECOMMENDED THAT YOUR BOARD:**

Approve and instruct the Chairman to sign the Purchase Agreement of "Tax Defaulted Subject to Power to Sell" property being acquired by the City of Burbank (agency) pursuant to the Revenue and Taxation Code, with revenue to be provided to recover all back property taxes, penalties and costs on the delinquent parcel and any remaining tax balance to be cancelled from the existing tax rolls; and approve publication of the Purchase Agreement of "Tax Defaulted Subject to Power to Sell" property.

**PURPOSE OF RECOMMENDED ACTION**

The property described in the agreement may be sold in accordance with the provisions of Division 1, Part 6, Chapter 8 of the Revenue and Taxation Code and with the policy adopted by Board action on November 24, 1970. Exhibit "A" attached to each agreement indicates the legal description and selling price of the parcel.

Upon approval, the enclosed agreement and copy are to be signed by the Chairman and returned to the Tax Collector for transmittal to the State Controller for further approval. County Counsel has approved the agreement as to form.

### **IMPLEMENTATION OF STRATEGIC PLAN GOALS**

Approval of this agreement is in accordance with the Countywide Strategic Plan Goals of Fiscal Responsibility and Collaboration Across Jurisdictional Boundaries. Delinquent property taxes and out of pocket costs are recovered and limited use parcels are identified for appropriate public purposes.

### **JUSTIFICATION**

The Chapter 8 Agreement sale procedure permits eligible public agencies to acquire "Tax Defaulted Subject to Power to Sell" properties without the necessity of a public auction. The property described in this letter will be acquired by one public agency. The agreement is with the City of Burbank which intends to utilize this property for open space purposes.

### **FISCAL IMPACT / FINANCING**

Revenue will be provided to the County for apportionment among the affected taxing agencies, which will recover all back property taxes, penalties and costs on the delinquent parcel. Any remaining tax balance will be cancelled from the existing tax roll.

Existing appropriation is available in the current Treasurer and Tax Collector 2004/2005 Budget for publication costs. Publishing in accordance with Section 3798 of the Revenue and Taxation Code is the most cost-effective method of giving adequate notification to parties of interest.

### **FACTS AND PROVISIONS/ LEGAL REQUIREMENTS**

The Chapter 8 Agreement sale procedure permits eligible public agencies to acquire "Tax Defaulted Subject to Power to Sell" properties pursuant to Section 3791, et seq., of the Revenue and Taxation Code.

A summary of the public agency's purchase is attached. This attachment indicates the affected Supervisorial District and the public use for which the property is being acquired. Moreover, we have attached copies of the relevant sections of the Revenue and Taxation Code pertaining to the Chapter 8 Agreement sale for your information. County Counsel has approved the agreements as to form. Attached to the agreement is the Assessor's parcel map showing the dimensions and general location of the affected parcel.

The Honorable Board of Supervisors

Efforts will be made to contact the owners and parties of interest to inform them of their tax liabilities and the provisions for the redemption of the property pursuant to Section 3799 of the Revenue and Taxation Code.

Section 3798 of the Revenue and Taxation Code mandates notice of agreements to be published once a week for three (3) successive weeks in a newspaper of general circulation published in the County.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

Not applicable.

**CONCLUSION**

Upon approval of the attached agreement forms, the Department will need all original documents returned for submission to the State Controller.

Gentlemen:

TAX AGREEMENT SALES

RECOMMENDATION:

That the Tax Collector be directed to review all requests for agreement sales pursuant to Chapter 8 of the Revenue and Taxation Code and recommend to the Board whether such requests should be approved in whole, in part, or denied.

That the Tax Collector is further instructed to review and recommend the price to be paid for such sales which price, in the absence of special circumstances, shall not be less than the amount necessary to redeem the property pursuant to Part 7 of Division 1 of the Revenue and Taxation Code.

EXPLANATION:

This office has recently completed a review of the policies currently in use with regard to the acquisi-

tion of tax deeded lands by taxing agencies under the authority of Chapter 8 of the Revenue and Taxation Code. This study showed that while present practices are in technical conformity with various statutory requirements, the \$1 per parcel price has remained constant since October 19, 1943.

It is the opinion of this office that the continuation of this nominal price is no longer in the best interest of the County and the other involved taxing agencies. The sale for a minimal fee of properties charged with sizable tax deficiencies results in substantial revenue losses to the County and other agencies.

The nominal fee can also result in requests for acquisition without adequate attention given to actual need by the requesting agency. The result is the removal of additional property from the tax base. If resold later as surplus, the proceeds accrue only to the acquiring agency.

Very truly yours,

Re: Proposed Acquisition of the tax-defaulted property, APN 2471-036-015 by the City of Burbank-Chapter 8 Agreement-Non-Objection Letter

Dear Mr. Redins,

The Santa Monica Mountains Conservancy (SMMC) entered into a Chapter 8, agreement, Agreement Number 2145, with the County of Los Angeles to acquire the 2.9 acre tax-defaulted property identified as Assessor's Parcel Number 2471-036-015. City of Burbank adopted resolution 26,400 on January 7, 2003 at the request of the SMMC entitled, " A Resolution of the City of Burbank Approving the Sale Price of the Certain Tax Defaulted Property As Between the Board of Supervisors of Los Angeles County and the Santa Monica Mountains Conservancy" per the requirements of Revenue and Taxation Code Section 3775.

At the time of the adoption of this resolution it was the intent of the SMMC and the City for SMMC to acquire the property for open-space purposes and for the City to acquire title from SMMC to hold the property for open-space purposes. In addition to approving the purchase price, the City also appropriated funds to acquire the site from the SMMC.

The property is surrounded on three-sides by City-owned hillside property currently held for open-space purposes as you can see in the attached aerial photo. The property is also encumbered with a Los Angeles County Flood Control District Debris Basin, and ingress/egress easements in favor of the City of Burbank for access to a City reservoir site.

The City has been informed by SMMC that it intends to retract its offer to purchase the property. In this instance the City of Burbank hereby registers its intention to purchase the property and to enter into any agreements with the County needed to complete this transaction.

The City intends to hold the property as open space consistent with the City property surrounding the parcels, subject to the continued LACFCD debris basin use and the City's ingress/egress use.

Please inform Ruth Davidson-Guerra, Assistant Community Development Director for Housing and Redevelopment, of the process to complete this acquisition so that we can complete the process as soon as possible. She can be reached at this address or by telephone at (818) 238-5180.

Thank you for your assistance and I look forward to completing this transaction.

Sincerely,

A handwritten signature in cursive script, reading "Susan M. Georgino".
